TRENT HILLS

SPORTS WALL OF HONOUR

To The Nominator,

Starting this year the Trent Hill Sports Wall of Honour Induction Committee has the difficult task of selecting candidates for induction onto the Sports Wall of Honour. The Committee takes this task very seriously and will spend hours reviewing and discussing each Nomination Form. In some cases the Committee will not know the applicant or not be aware of that person's or teams contribution to the local sporting scene. As a result having the Nomination Form properly completed is critical for our deliberations so as a result please follow the following guidelines when nominating a person or team.

1. Follow the directions on the Nomination Form and if the person or team was honoured locally, Provincially, Nationally, or Internationally please note this.
2. If possible provide a typed summary/description of any other additional information that would describe the nominee's outstanding contribution to sport.
3. Any scrapbooks, newspaper clippings, photos or personal awards would assist the committee greatly if available. (please note all information will be returned to nominators)

The Induction Committee recognizes that this may be a lot of work for the nominator(s) but the information would be a very valuable tool for the committee and a good keepsake for families and friends of those nominated. Also it would be appreciated if the nominator would submit a clear frontal photograph of the individual or team you are nominating. Thank you for submitting the best application possible.
